The Canoe Movie	Pro	General	30	The Canoe Movie is a collection of over 30 years of whitewater canoeing and tells a tale of history while paving the road for the future of canoesport. Meet the colorful characters who've always been a part of the foundation of all modern paddlesports, and hear their story. Follow along as we explore such topics as boat design, canoeing vs. kayaking, the unmistakable passion and pride contained within all canoeists, pushing the limits, and much more.	Will Lyons/John Grace
Halo Effect	Pro	General	45	Three of the world's best kayakers take a two-month journey to the Scandinavian paddling meccas of Iceland and Norway. While they search inside the arctic circle for rapids and waterfalls that have never been run, they're also searching for the elusive moments when the stars align and everything goes perfectly, but sometimes... in the blink of an eye... things go horribly wrong. The inevitable externalities of their main goal is what they call 'the halo effect'.	Steve Fisher

Wild Water	Pro	General	30	WildWater is a journey into the mind and soul of whitewater, into the places only river runners can go, places of discovery, solitude and risk. Its a visually stunning feast for the senses, and an expedition into new ideas. We set out to create a new kind of adventure film. One where image, sound and ideas trump all else. We wanted to communicate the essence of the thing - wild places and whitewater - and put its soul on film.	Anson Fogel
Ice Water in the Veins	Pro	Documentary	45:30:00	A documentary about the unique history of ice canoeing practice in Quebec Province in Canada.	Cimon Charest
